October 26, 2021

Orientation to the Community Data Program and the Catalogue

September 28, 2021

Statistics Canada work towards linked databases using building footprints and property parcels

SOLUTIONS LAB

Funded by the National Housing Strategy Solutions Labs, the Community Data Program (CDP) has teamed up with Canada Mortgage and Housing Corporation (CMHC) on a Solutions Lab.

The goal of this Solutions Lab is to help municipalities and community sector organizations find the best way to measure and respond to local housing and housing-related issues through relevant data, visualization, and reporting tools.

The project is expected to span November 2020- March 2022 and occur in stages. Input from a variety of organizations with diverse data needs will help ensure the outcomes of the solutions lab meet the variety of data needs across the Country.

The project is currently in the prototype stage and the next Solutions Lab session is on Tuesday November 16 from 1:30-3:30 pm. More information can be found on the [Housing Solutions Lab Portal](#).

WHAT'S NEW

50 new data items were added to the CDP website between July 30, 2021 and October 26, 2021 including:

2019 Taxfiler Data:

- Individual, Family and Senior Tables
- Demographic and Income Profile
- RRSP Contributors
- Charitable Donations
- Migration Estimates, 2019-2020

Tableau Dashboards:

- Mobility In and Out of Local Immigration Partnerships
- Liquid Assets

Canada Emergency Response Benefit Statistics

Real-Time Local Business Conditions Index

Building Permits - detailed, 2016-2020

Canadian Business Counts June 2021

Employment insurance (EI) beneficiaries, monthly, unadjusted for seasonality

Labour Force Survey Supplemental tables, monthly

More data is coming!

For additional information on the data to come, please see the meeting notes from the Data Purchase and Access Working Group available on the CDP website:

How CDP members use community data

County of Simcoe Community Data and Report

The resources on this portal echo a diverse community and provide demographic information based on data collected by Statistics Canada and accessed through the Community Data Program, as well as primary data collection and administrative data sources.

New Westminster Child Poverty Profile

This profile is designed to answer questions about child poverty in New Westminster.

New Westminster Economic Development Indicators

The intention of the EDI infographic is to provide

benchmarks of indicators that demonstrate economic health.

City of Airdrie Comparative Community Profiles

The Social Planning team at the City of Airdrie has assembled a series of community profiles to provide brief comparisons of municipalities.

Neighbourhood profiles of Durham Region

Neighbourhood profiles of Durham Region represent information for a specific neighbourhood or municipality and display how the area compares with Durham Region.

SIMCOE COUNTY DATA CONSORTIUM EXTRANET

Don't forget to check out the Simcoe County Data Consortium EXTRANET

ASK A QUESTION ON THE DISCUSSION BOARD

The purpose of this platform is to provide a place for users to access Consortium resources and share information through a discussion board and events calendar.

SIMCOE COUNTY COMMUNITY DATA

Check out the County of Simcoe Community Data and Reports Webpage for new charts, reports and thematic maps of 2006, 2011 and 2016 Statistics Canada Census data and more!

Reports and maps are available for download at www.simcoe.ca/communitydata

COMMUNITY DATA NEWS

[Check out the CDP news page](#)

for other data news such as webinars from other organizations.

[Canadian Open Data Society Webinar](#)

On Thursday, October 28, Canadian Open Data Society hosted two online sessions from the Canadian Open Data Summit. These sessions were A Roadmap for Data Across Canada (presented in English) and Data Liberation Matters (presented bilingually).

[CMHC: Solutions Labs Kickoff Webinars](#)

The Canadian Mortgage and Housing Corporation, alongside Social Innovation Canada, will be delivering three webinars in the coming months to coincide with the opening of applications for their 2021 Solutions Labs. These webinars will highlight the outcomes of previous Solutions Labs.

[Workshop: Measuring Access to Services - International and Canadian Experiences in Rural Analysis](#)

On Wednesday October 13, Statistics Canada and the Centre for Rural Economic Development hosted a free workshop titled Measuring Access to Services: International and Canadian Experiences in Rural Analysis.
