“Working towards ending all violence against all women”

Presented by:
Kathy Willis

Operation Grow was envisioned by the women we serve.

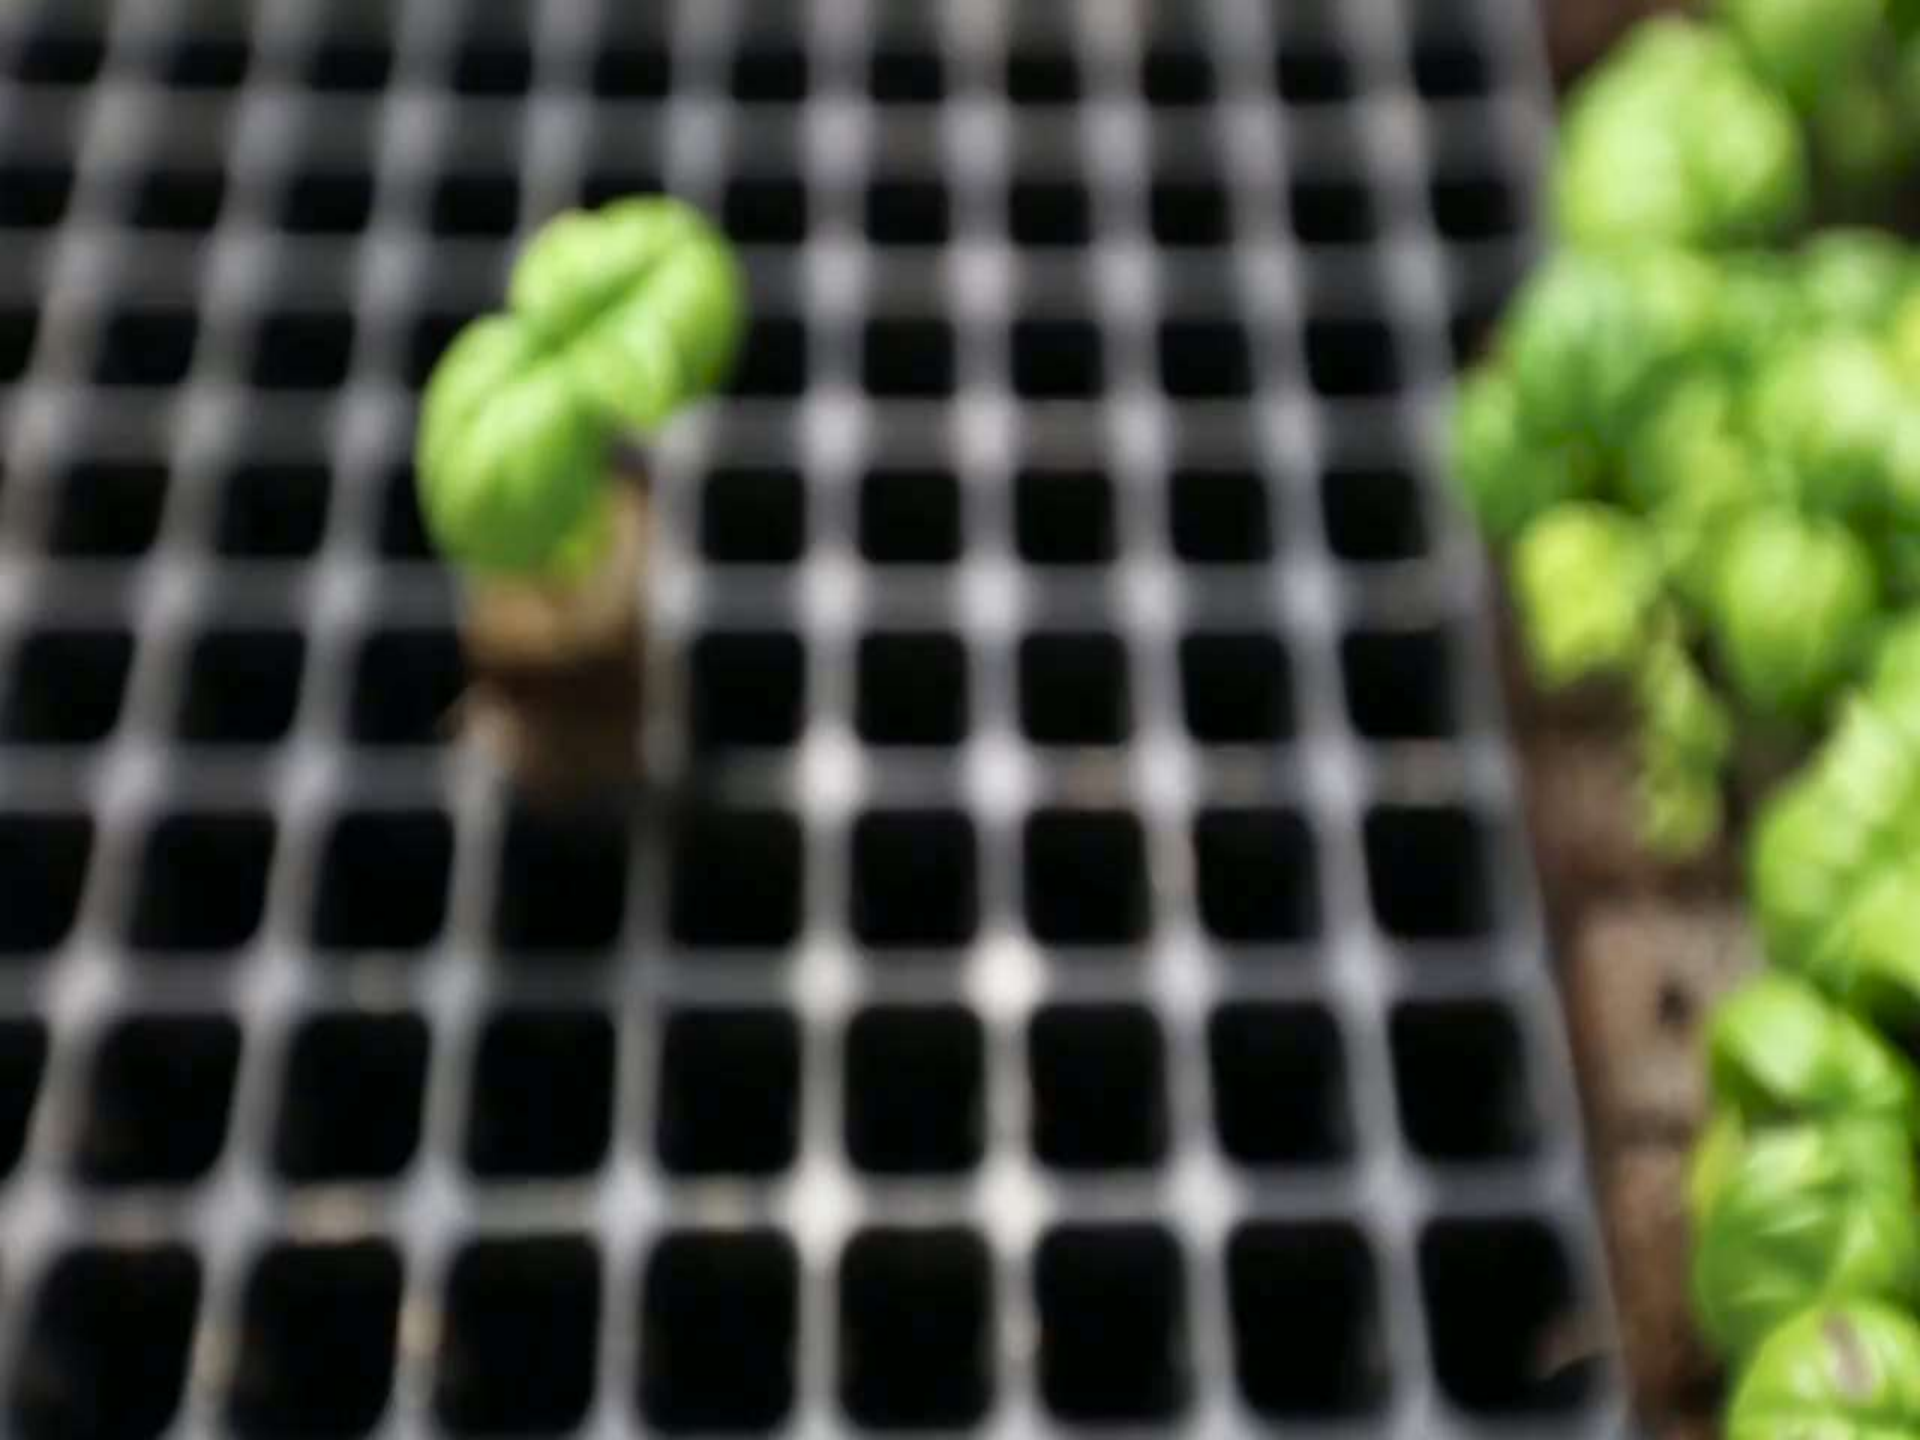

Operation Grow is a multi-purpose space providing women with the opportunity to increase resiliency, enhance autonomy, build relationships and reduce the impacts of violence in their lives.

Operation Grow provides:

Advantages

No weather
related crop
failures

No agricultural
run-off

Facilitates
restoration of
the ecosystem

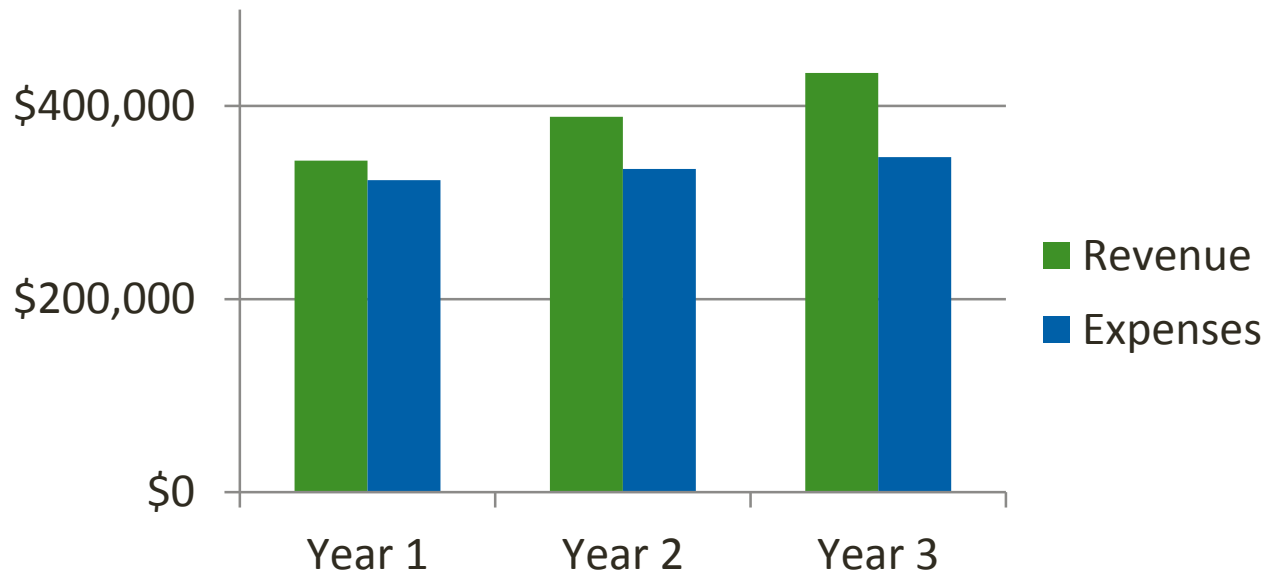

Does not use
pesticides,
herbicides or
fertilizers

Uses 70-95%
less water

Reduces food
miles

Operation Grow is Self Sufficient

Operation Grow

“Growing more than just produce”
