Case Management Goals and Sessions List

Below you will find a table that includes the 'Case Management Goals' and the available 'Sessions for each. This list assists HIFIS users to decide which 'Goal' or 'Goals' to select when working with a client, as the 'Sessions' are not visible until the 'Goal' has been created. A client may have multiple "Goals' open at the same time, working toward them. Close 'Case Management Goals' when complete or no longer being actively worked toward.
