The event will be held:

AT: 11:00 AM

ON: Tuesday, October 12, 2021

The Tribunal has set aside **1 day** for this matter.

Event dates are firm – adjournments will not be granted except in the most serious circumstances, and only in accordance with the Tribunal's Rules of Practice and Procedure ("Rules") [Rule 17](#) on adjournments.

The following individuals are scheduled to participate in the teleconference call at the above-mentioned time:

- Marshall Green for County of Simcoe
- Sarah Hahn for Township of Tiny
- David White for McMahan Woods Developments Ltd.

The individuals noted above shall call (416) 212-8012** or Toll Free 1-(866) 633-0848 on the assigned date at the correct time. When prompted, enter the code **8382912#** and you will be connected to the call. If assistance is required at any time, press '0' for the operator. It is the responsibility of the persons participating in the call to ensure that they are properly connected to the call and at the correct time.

Only the persons listed above and/or their representatives/clients are permitted to participate in the call. If there are any additional individuals, not noted above, who

should be connected to this call, please inform the Tribunal as soon as possible so that proper notification can be given.

This event is conducted under [Rule 20](#) of the Tribunal's Rules. [Rule 20.2](#) sets out how a party may object to the Tribunal conducting this event electronically. Any party, or any person who intends to seek party status, may object to the Tribunal holding this event by video by filing an objection with the Tribunal's Case Coordinator. The objection must be received by the Tribunal **at least 20 days** before the date of the CMC and must be copied to the other parties. All contact information is included in Schedule A.

If you do not attend the CMC, the Tribunal may proceed in your absence, and you will not be entitled to any further notice of these proceedings. The Tribunal may finalize the list of appellants, parties and/or participants at this CMC, and may order that no additional appellants, parties and/or participants be added or included in this proceeding, without leave of the Tribunal.

The purpose of the CMC is set out in [Rule 19.1](#) of the Tribunal's Rules. The CMC will deal with preliminary issues, that include the following:

- **Identification of parties** - these persons have the right to participate throughout by presenting evidence, questioning witnesses, and making final arguments. In order for the Tribunal to determine your status for the hearing, you or your representative should attend the CMC and ask to be added as a party. Groups, whether incorporated or not, who wish to become parties should name a representative. Parties do not need to be represented by lawyers or agents.
- **Identification of participants** - persons who do not wish to participate throughout the hearing may attend the hearing and provide a written statement to the Tribunal.
- **Identification of issues.**
- **Possibility of settlement and/or mediation of any or all of the issues** – the panel will explore with the parties whether the case before the Tribunal and the issues in dispute are matters that may benefit from mediation. Mediation is a voluntary process that encourages all sides in a dispute to get a better understanding of each other's positions and fully explore and negotiate options for a mutually acceptable settlement of all or some of the issues in dispute. The panel may direct, upon consent of the parties, that some or all of the issues in dispute proceed to mediation.
- **Start date of the hearing.**
- **Duration of the hearing.**
- **Directions for pre-filing of witness lists, expert witness statements and written evidence.**
- **The hearing of motions.**

- **Draft Procedural Order** – parties are expected to meet before the CMC to consider a draft Procedural Order, as per [Rule 19.2](#) (see Sample Procedural Order on the website at <https://olt.gov.on.ca/appeals-process/forms/>).
- **Such further matters as the Tribunal considers appropriate.**

Everyone should come prepared to consider specific dates for proceedings in this matter.

All persons who wish to participate in this matter are expected to be prepared should the Tribunal convert the CMC to a settlement conference, a motion for procedural directions, or a preliminary hearing, where evidence or formal statements or submissions may be heard. Even when no settlement is reached, the Tribunal may proceed to make a final decision on any evidence received during the conference.

PARTY OR PARTICIPANT STATUS REQUEST:

Persons other than the appellant(s), applicant, municipality or approval authority who wish to participate in the proceeding, either as a party or as a participant, are expected to file a written status request with the Tribunal to outline their interest in the proceeding.

The [Party Status Request Form](#) and [Participant Status Request and Participant Statement Form](#) are available on the Tribunal's website (<https://olt.gov.on.ca/appeals-process/forms/>) and are to be used to assist with the preparation of the request. If you are requesting status, this form must be provided at least 10 days in advance of the Case Management Conference to:

- The assigned Tribunal Case Coordinator Ryan Co at Ryan.Co@ontario.ca.
- The municipality and the approval authority on the same day as it is emailed to the Tribunal Case Coordinator.
- The Applicant and the Appellant(s) on the same day as it is emailed to the Tribunal Case Coordinator.

The contact information for the parties is included in Schedule A.

The status request will be reviewed and considered by the presiding Member at the CMC. It will also assist the Tribunal in organizing the hearing event. **Attendance by the requestor, or their representative, at the CMC is required for all status requests.**

Persons who are granted **party status** may participate fully in the proceeding ([see Rule 8](#)).

Persons who are granted **participant status** may only participate in writing by way of a participant statement. This statement is expected to be provided 10 days advance of the CMC as part of the status request (see above) and sets out their position in the matter ([see Rule 7.7](#)).

Only persons who are **granted party or participant status** by the Tribunal at the CMC are permitted to participate in any further hearing event that is convened by the Tribunal for this appeal.

Wherever possible, an electronic copy of the document must also be filed with the Tribunal, identically numbered as the paper document.

7.2 Other Exhibits Large graphic or other such types of visual evidence should not be glued to foam or other boards. They shall be on paper and be removed from the boards following the hearing event, and folded to 8 ½" x 11". Three-dimensional models must be photographed and the photographs must be introduced with the model. Visual evidence must be reviewed by the other parties before the hearing event or by an earlier date if set out in a procedural order.

7.3 Copies of Documents for Parties and the Municipal Clerk A party who intends to introduce a document as evidence at a hearing event shall provide a copy of the document to all the parties at the beginning of the proceeding or by an earlier date if that is required by the terms of a procedural order or otherwise directed by the Tribunal. If the document is an official plan, those parts of the plan to be referred to at the hearing event should be distributed to the parties, and a copy of the entire plan must be made available to the Tribunal Member(s). If the Tribunal orders that the Municipal Clerk keep copies of documents for public inspection, they do not need to be certified copies, unless a party objects that they are not authentic copies.

7.4 Prefiling of Witness Statements and Reports If the hearing is expected to last more than 5 days, the Tribunal may require that parties calling expert or professional witnesses serve on the other parties any expert witness statements and reports prepared for the hearing, at least 30 days in advance of the commencement of the hearing, unless otherwise directed by the Tribunal. The Tribunal may in its discretion, or at the request of a party, also make this prefiling order for hearings expected to last fewer than 5 days. The expert witness statement must contain:

The expert's complete report may be filed instead of this statement if it contains the required information.

An expert may not be permitted to testify if this statement or report is not served on all parties when so directed by the Tribunal.

7.5 Duty of the Expert Witness It is the duty of every expert engaged by or on behalf of a party who is to provide opinion evidence at a proceeding under these Rules to acknowledge, either prior to (by signing the acknowledgment form attached to the Rules) or at the proceeding, that they are to:

- b. provide opinion evidence that is related only to the matters that are within the expert's area of expertise;
- c. provide such additional assistance as the Tribunal may reasonably require to determine a matter in issue;
- d. not to seek or receive assistance or communication from any third party, except technical support, while giving oral evidence in examination in chief, while under cross-examination, or while in reply; and
- e. acknowledge that these duties prevail over any obligation owed by the expert to the party by whom or on whose behalf he or she is engaged.

7.6 Other Witnesses The Tribunal may also require that a witness who is not presenting expert evidence provide a witness statement. A witness statement should contain:

- a. a short written outline of the person's background experience and interest in the matter;
- b. a list of the issues that they will discuss; and

The Tribunal may decline to allow the witness to testify if this statement is required by the Tribunal and has not been provided to the other parties.

7.7 Participant Statements A person who wishes to participate in a proceeding as a participant, shall file a written participant statement that sets out their position on the appeal and issues of the proceeding, together with an explanation of their reasons in support of their position. A participant may only make submissions to the Tribunal in writing unless otherwise provided for by an Act or regulation.

7.8 Amendment of Documents Documents filed with the Tribunal can only be amended with the consent of the parties or by order of the Tribunal. The Tribunal may require that the person requesting an amendment do so by way of a motion under Rule 10.

7.9 Copies of Tribunal Documents A person may examine any document, including electronic documents, filed with the Tribunal and copy it after paying the Tribunal's fee, unless a statute, a Court Order, an order of the Tribunal or these Rules provide otherwise.

7.10 Return of Exhibits Exhibits of all types introduced at a hearing will be kept for 180 days after the Tribunal decision issues. The person introducing an exhibit may ask for its return after this time, and it may be given back if the Tribunal agrees. If no such request is made, the exhibit becomes the property of the Tribunal and may be archived.

7.11 Service by Personal Service or Electronic Service Where any document is required to be served or filed, including the one commencing a proceeding or a motion or providing notice, it shall be served by personal service, registered mail or electronically (unless a statute or the Tribunal requires another method of service) and shall be sent to:

- a. the party's representative, if any;
- b. where the party is an individual and is not represented, to that party directly, where that party has provided an address for service and/or an e-mail address;
- c. where that party is a corporation and is not represented, to the corporation directly, to the attention of an individual with apparent authority to receive the document;
- d. where served on or filed with a local board or commission, or any department, ministry or agency of the federal, provincial or municipal government, to an individual with apparent authority to receive the document; or
- e. where served on or filed with the Tribunal, to the Registrar, or the assigned administrative staff.

Subject to Rule 7.12, if a document is served by e-mail, then service is effective on the date of service.

- g. Request a review of the Tribunal's decision or order as set out in Rule 25.

8.2 Power of Tribunal to Add or Substitute Parties The Tribunal may add or substitute a party to a proceeding when that person satisfies any applicable legislative tests necessary to be a party and their interest may be transferred or transmitted to another party to be added or substituted provided their presence is necessary to enable the Tribunal to adjudicate effectively and completely on the issues in the proceeding.

8.3 Non-Appellant Party A party to a proceeding before the Tribunal which arises under any of subsections 17(24) or (36), 34(19) or 51(39) of the Planning Act who is not an appellant of the municipal decision or enactment may not raise or introduce a new issue in the proceeding. The non-appellant party may only participate in these appeals of municipal decisions by sheltering under an issue raised in an appeal by an appellant party and may participate fully in the proceeding to the extent that the issue remains in dispute. A non-appellant party has no independent status to continue an appeal should that appeal be withdrawn by an appellant party.

8.4 Common Interest Class Where the Tribunal is of the opinion that more than one party is of common interest with another party or other parties, the Tribunal may, on its own initiative or on the request of any party, appoint a person of that class of parties to represent the class in the proceeding.

RULE 17

ADJOURNMENTS

17.1 Hearing Dates Fixed Hearing events will take place on the date set unless the Tribunal agrees to an adjournment. Adjournments will not be allowed that may prevent the Tribunal from completing and disposing of its proceedings within any applicable prescribed time period.

17.2 Requests for Adjournment if All Parties Consent If all of the parties agree, they may make a written request to adjourn a hearing event. The request must include the reasons, a suggested new date, and the written consents of all parties. However, the Tribunal may require that the parties attend in person or convene an electronic hearing to request an adjournment, even if all of the parties consent. The consenting parties are expected to present submissions to the Tribunal on the application of any prescribed time period to dispose of the proceeding.

17.3 Requests for Adjournment without Consent If a party objects to an adjournment request, the party requesting the adjournment must bring a motion at least 15 days before the date set for the hearing event. If the reason for an adjournment arises less than 15 days before the date set for the hearing event, the party must give notice of the request to the Tribunal and to the other parties and serve their motion materials as soon as possible. If the Tribunal refuses to consider a late request, any motion for adjournment must be made in person, at the beginning of the hearing event.

17.4 Emergencies Only The Tribunal will grant last minute adjournments only for unavoidable emergencies, such as illnesses so close to the hearing date that another representative or witness cannot be obtained. The Tribunal must be informed of these emergencies as soon as possible.

17.5 Powers of Tribunal upon Adjournment Request The Tribunal may,

- a. grant the request.
- b. grant the request and fix a new date or, where appropriate, the Tribunal will schedule a case management conference on the status of the matter;
- c. grant a shorter adjournment than requested;
- d. deny the request, even if all parties have consented;
- e. direct that the hearing proceed as scheduled but with a different witness, or evidence on another issue;
- f. grant an indefinite adjournment, if the Tribunal finds no substantial prejudice to the other parties or to the Tribunal's schedule and the Tribunal concludes the request is reasonable for the determination of the issues in dispute. In this case, a party must make a request, or the Tribunal on its own initiative may direct, that the hearing be rescheduled or resumed as the case may be;
- g. convert the scheduled date to a mediation or case management conference; and
- h. make any other appropriate order.

RULE 19

CASE MANAGEMENT CONFERENCES

19.1 Case Management Conference At the request of a party, on its own initiative or as may be required by legislation or regulation, the Tribunal may direct parties to participate in a case management conference conducted by a Member of the Tribunal, which can include settlement conferences, motions or preliminary hearing matters, such as to:

- h. discuss opportunities for settlement, including possible use of mediation or other dispute resolution processes;
- i. fix a date, place and format for the hearing and estimate its length, and encourage the parties to agree upon the dates for any procedural steps;
- j. discuss issues of confidentiality, including any need to hold a part of the hearing in the absence of the public or to seal documents;
- k. address the production and cost sharing of joint document books; and
- l. deal with any other matter that may assist in a fair, just, expeditious and cost-effective resolution of the issues.

19.2 Sample Procedural Order and Meeting Before Case Management Conference Where the parties are known before the case management conference, they are expected to discuss the matters set out in Rule 19.1 and present a draft procedural order to the Tribunal for its approval. Sample procedural orders are listed in the Index to these Rules.

19.3 Serving Notice of a Conference The Tribunal will determine the notice requirements for a Case Management Conference and any directions to serve a Notice of Case Management Conference that provides the time, place and format of the conference. The directions may include a notice to all persons or authorities entitled by legislation or regulation. The person, municipality or approval authority who is issued the direction must serve this notice on those persons entitled to notice of the conference and provide an affidavit to the Tribunal, at or prior to the conference, to prove service of the notice.

19.4 Tribunal Member Presides The Tribunal's Chair will assign at least one Member of the Tribunal to conduct the conference.

19.5 Public Attendance at a Case Management Conference A case management conference held in person will be open to the public. A case management conference held by electronic hearing will be open to the public where practical. Despite the general principle of public open sessions, where circumstances prevail that may require confidentiality, in the discretion of the presiding Tribunal Member, part or all of the conference may be conducted in *camera*.

19.6 Conversion from One Procedure to Another The Tribunal Member may, at any time, conduct a procedural discussion, initiate a motion, inquire into a preliminary matter, or convert the conference into a hearing. The Tribunal will state in the notice of a case management conference that the parties are expected to arrive prepared for a procedural and settlement conference as well as a preliminary hearing, where evidence or formal statements or submissions may be heard. Even if no settlement is reached, the Tribunal may proceed to make a final decision on any evidence received during the conference.

19.7 Results of Failure to Attend a Conference If a party fails to attend the conference or by authorized representative, the Tribunal may proceed without that party. The non-attending party is not entitled to notice of subsequent hearing events in the proceedings.

19.8 Tribunal Order Following The Tribunal Member conducting the case management conference will issue an order that may decide any of the matters considered at the conference and provide procedural directions for any subsequent hearing event.

19.9 Hearing Member Bound The Tribunal Member conducting the hearing or any subsequent hearing event is bound by the order resulting from the case management conference unless that Member is satisfied that there is good reason to vary the order.

19.10 Methods of Holding Hearing Events The Tribunal may direct in an order following a conference that hearing events in a proceeding be held by a combination of written, electronic or in person hearing events.

RULE 20

ELECTRONIC HEARINGS

20.1 Hearing Events by Teleconference or Videoconference The Tribunal may hold a hearing event by electronic hearing, such as by teleconference or videoconference, for the determination of any issue in the proceeding. Where the Tribunal directs that a hearing event be held by electronic hearing, the Tribunal may direct a party to make the necessary arrangements and to give notice of those arrangements to the Tribunal and other parties.

20.2 Objection to the Electronic Format A party who objects to a hearing event being held as an electronic hearing shall notify the Tribunal and all other parties of its objection within the time period specified in the notice of the electronic hearing. The objecting party shall set out the reasons why the electronic hearing is likely to cause the objecting party significant prejudice.

20.3 Response to Notice of Objection The Tribunal may request a written response from other parties to the objection of an electronic hearing within a time period set out by the Tribunal.

20.4 Procedure When Objection is Received If the Tribunal receives an objection to hold a hearing event by electronic hearing, it may:

- a. accept the objection, cancel the electronic hearing, and schedule an in person or written hearing; or
- b. if the Tribunal is satisfied, after considering any responding submissions that no significant prejudice will result to a party, then the Tribunal will reject the objection and proceed with the electronic hearing.

20.5 Directions for the Electronic Hearing The Tribunal may direct the arrangements for the electronic hearing or designate an approved location for videoconference to protect the integrity of the hearing process, including the security and confidentiality of evidence as necessary.

20.6 Videoconferences The Tribunal shall pre-approve all arrangements for conducting a hearing event by videoconference, including the pre-filing and exchange of motion materials, documents, written submissions or any visual and written evidence, and the locations for the conference.
