

Simcoe County Food Council

A community-based network that fosters coordination and collaboration in the County of Simcoe to enhance community food security and decrease household food insecurity.

OUR VISION

A sustainable, equitable, and secure local food system in Simcoe County that recognizes food as a human right. It is an inter-connected food system where safe, sufficient, nutritious, culturally appropriate food is financially and physically accessible to everyone through dignified means, and where the people are actively working toward realizing a more food secure Simcoe County.

THE FRAMEWORK

The Simcoe County Food Security Framework is a blueprint of proposed action items to achieve our goal for a food secure and sustainable Simcoe County

OUR GOALS
