[Link to PowerPoint Presentation](#)

1. Welcome and Introductions

Began with land acknowledgement. Group shared the current projects they were working on. Topics included working with census data, strategic planning, primary research, and secondary data reports.

2. Guest Speaker – Jamie, Community Data Program
   a. [Housing Dashboard and Tableau reader overview](#)

Jamie provided a presentation on the software Tableau for CDP members. Topics discussed in this presentation included tableau overview, the purposes of tableau dashboards for CDP members, tableau dashboards available on the CDP website, tableau reader installation, locating and using CDP tableau dashboards, and a live demonstration using the housing dashboard.

3. CDP Updates
a. Leads update

Muskaan provided updates detailed in the attached PowerPoint. The updates included acquiring custom geographies, target group profiles, tableau visualizations and more.

b. Data Purchasing and Access Working Group meeting updates

Muskaan provided updates from the working group detailed in the attached PowerPoint. Updates included custom tables acquired and anticipated, target group profiles, custom geography data, and the continuation of discussion with Environics analytics and the CDP.

c. New tables
Muskaan provided an update on new tables in the CDP data catalogue, detailed in the attached PowerPoint. Recordings of past webinars are available on the link in the attached PowerPoint.

d. Training and Capacity Building
Muskaan provided details about upcoming and past webinars available through the CDP.

Action: Members to e-mail webinar ideas of datasets or topics they would be interested in to Tonya.Nicholson@simcoe.ca.

4. Local Updates
a. Roundtable – any other updates to share?

No additional updates.

5. New Business
a. Data presentation on the Longitudinal Administrative Databank (LAD)

Slides posted on website at 'Data Consortium Updates'. The presentation covered data on Simcoe County tax filer data such as low-income entry and exit rates, persistence of low-income, and duration of low-income.

6. Next Meeting
a. To be determined
