Glossary:

Statistics Canada maintains a Census Dictionary for the Census Population, 2016, available online at:

<http://www12.statcan.gc.ca/census-recensement/2016/ref/dict/az10-eng.cfm?topic=az10#L>

Many more terms associated with the Census can be found here.

Low-income measure, after tax (LIM-AT) - The Low-income measure, after tax, refers to a fixed percentage (50%) of median-adjusted after-tax income of private households.

Low-income status - The income situation of the statistical unit in relation to a specific low-income line in a reference year. Statistical units with income that is below the low-income line are considered to be in low income.

Prevalence of low income - The proportion or percentage of units whose income falls below a specified low-income line.
