

Notice of Study Commencement – County Road 29 and 22

The Study:

The County of Simcoe (County) together with their Consultant, D. M. Wills Associates Ltd. (Wills), is undertaking a Municipal Class Environmental Assessment (MCEA) to assess the need for intersection enhancements at County Road 22 (Horseshoe Valley Rd) and County Road 29 (Crossland Rd) in the Township of Springwater. Options will be reviewed and evaluated during the Study to determine a preferred solution. Each option will consider social, environmental, operational, and financial implications. The study area is generally outlined in red on **Figure 1**.

The Process:

This Study is being conducted in accordance with the requirements of a Schedule A+ of the MCEA, October 2000, as amended in 2023. Schedule A+ projects are pre-approved; however, the public is to be advised prior to implementation.

Comments Invited:

Consultation is important to the Study; the County and Wills would like to ensure anyone interested in the Study has the opportunity to provide input or ask questions regarding the design alternatives.

A Public Information Centre (PIC) will be held in the upcoming months, there will be further opportunity to provide comments on alternatives that time. Notices for the PIC will be provided closer to the date via mail or posted on the County website <https://simcoe.ca/residents/trs/public-notices>.

Questions or comments should be forwarded on or before May 31, 2024. If you would like to be added to the project mailing list, please contact the Project Manager(s) below.
