

Simcoe County Forests

# NOTICE OF DISCONTINUATION

## **MNRF FISH STOCKING PROGRAM**

LOCATION: TIFFIN TRACT

The County's Forestry department has been pleased to take part in providing fishing opportunities at the Tiffin Tract since 2015.

Unfortunately, littering and fires have become commonplace, and discarded fishing line and hooks have created hazards for users and wildlife. These issues have resulted in the decision for the County of Simcoe to discontinue the partnership with the MNRF to stock the pond.

**For more information on the restocking program, including other fishing opportunities, please visit: [Fish ON-Line \(gov.on.ca\)](http://gov.on.ca)**
