**County Road 56 at County Road 21 Lane Reductions and Limited
 Full Closure
 Starting June 3, 2024**

County Road 56 at County Road 21 Closure

Please be advised that the roundabout at intersection of County Road 56 and County Road 21 will undergo lane reductions starting on **Monday June 3, 2024** for construction. The lane reductions and partial roundabout closures will last for approximately 2 weeks. Additionally, please note that a full closure of the roundabout is scheduled for **Wednesday June 12 and Thursday June 13 (Weather Permitting).**

County Road 56 north and south of County Road 21 and County Road 21 east and west of County Road 56 will be inaccessible for through traffic.

Access to residences and businesses on County Road 56 and County Road 21 will be maintained at all times.

Detour routes will be set up and advanced warning signs will be installed on CR 56 and CR 21 to warn motorists of the road closure.

Detour routes are as follows:

West Detour:

- CR21 West to CR10 North to CR90 East; and
- CR90 West to CR10 South to CR21 East.

East Detour:

- CR21 West to CR10 South to CR89 East; and
- CR89 West to CR10 North to CR21 East.

Designated detour route maps have been included with this newsletter and additional correspondence will be distributed to advise of the exact dates for future road closures as the project progresses.

How will I get to My Residence/Business?

The Contractor will maintain access to your residence/business.

The contractor will give prior notice of any access restrictions to the residences/businesses.

If you have any special needs for wheelchair access, please advise the CIMA+ Construction Inspector (Cassandra McCormick).

Access for emergency vehicles will be maintained at all times.

Safety

Construction involves the use of heavy equipment and the unavoidable creation of obstacles.

We ask that you caution your children to stay clear of the working area.

We ask that you take extra caution during the construction period to ensure everyone's safety.
