

IMPORTANT NOTICE: SRRP Collingwood site

Thank you for your continued support and interest in the modular temporary Supportive Rapid Rehousing Program, located here at The Common Roof property in Collingwood.

About the Program

The program is being run by the County of Simcoe. The modular facility located here on The Common Roof's property will soon be home to seniors aged 55+ who have been experiencing homelessness through the County's Supportive Rapid Rehousing Program (SRRP). **The SRRP is *not* a shelter**; it is a temporary home for individuals as they prepare for independent, and permanent, living situations. The County will be contracting a qualified agency to provide comprehensive, 24/7 on-site services, staffed with trained professionals. The modular structure can house between 10 and 15 people at a time.

About the Supportive Rapid Re-Housing Program

The initiative is called the Supportive Rapid Rehousing Program (SRRP) and aims to provide services, housing and support to individuals in need, with the goal of securing permanent, affordable housing for them quickly – typically within 120-180 days. These individuals have been identified as situationally homeless (i.e., due to a recent life event, rather than chronically homeless). This program provides in-house support to find and integrate into permanent housing successfully, while ensuring that they will have the best chance of success in their housing journey. Similar programs through the County of Simcoe have resulted in many successful outcomes, with no known impact on the surrounding neighbourhood.

Timeline

The County is working to identify a qualified agency to operate the program and this contractual process is ongoing. Given this continued process, we are optimistic that we will be able to share more news early this fall. The structure **will not** be used for other purposes.

For information on the planned temporary SRRP housing, visit our website at simcoe.ca/SRRP

Contact Information

Project Lead: For questions about the project and/or the modular structure/site, please contact the County of Simcoe's Community Services department at 705-722-3132, extension 1470.

Project Support: Service Collingwood, service@collingwood.ca or 705-445-1030. Ext. 0.

While the The Common Roof is a valued partner, PLEASE direct all requests about this project to the contacts listed above.
