NOTICE OF ROAD CLOSURE

County Road 4 and Line 10, Bradford West Gwillimbury, County of Simcoe

This notice is to advise you that County Road 4 will be closed to through traffic, between Line 9 and Line 11, and Line 10 will be closed to through traffic, between Sideroad 10 and County Road 4, from October 21, 2024 until December 13, 2024 to permit replacement of the Scanlon Creek culvert under County Road 4 at Line 10.

During this period, these roads will be open strictly for access to residential and commercial properties within the construction limits; however, they will be closed to through traffic (traffic will be unable to pass through the County Road 4 and Line 10 intersection) and a clearly marked detour will be provided via Line 8, Sideroad 10, and County Road 89 (see map on following page). Access to Line 10 east of County Road 4 will also be maintained from the south of the intersection.

We ask that extra precaution be taken and that you observe all detour and advisory signage during the ongoing construction activities. We thank you for your patience and apologize for the inconvenience.

Should you have any questions or concerns related to this road closure, please do not hesitate to contact either of the following individuals:
