This letter is to advise that the Tribunal is placing this case into a closed file status. The last activity on this file was the email, dated May 11, 2025, from Bradford Highland Joint Venture that this matter be adjourned pending the decision of the Minister on SCOPA 7. Given the unknown timeframe it will take for the Minister's decision to be issued, the case will be placed into a closed file status.

Going forward the Tribunal will not request updates from the parties on progress in the case but remains available to provide its services once the parties are prepared to proceed.

The parties are advised to contact the Tribunal when ready to request the re-opening of this file from its closed status. A request to re-open the file should be directed to the Tribunal Registrar and sent to the Case Coordinator/Planner.

The Case Coordinator/Planner will re-open the file after they are advised that the parties are ready to proceed. The Case Coordinator/Planner may provide further direction to the parties on next steps upon the re-opening of a file.

Should difficulties arise requiring direction or adjudication from the Tribunal, the parties may request to re-open the file.

If the parties require any further assistance from the Tribunal or have updates to share, please contact the Case Coordinator/Planner assigned to this case, Ryan Co at Ryan.Co@ontario.ca.
