

BY-LAW NO. 7176-26

OF

THE CORPORATION OF THE COUNTY OF SIMCOE

A By-law to establish fees and charges for services or activities provided or done by the Corporation of the County of Simcoe and to repeal By-law No. 7127-25.

Whereas Section 391 of the *Municipal Act, 2001, S.O. 2001, c. 25*, as amended, (“Municipal Act”) authorizes the municipality to impose fees or charges on persons for services or activities provided or done by or on behalf of any other municipality or local board; and for the use of its property including property under its control; and

Whereas pursuant to Section 227 of the *Municipal Act* it is the role of officers and employees of the municipality to establish administrative practices and procedures to implement council’s decisions and to carry out duties required under the Municipal Act or any other Act and other duties assigned by the municipality; and

Whereas Sections 398 and 446 of the *Municipal Act* authorize a county to request that the lower-tier municipalities add the costs of completing any matter or thing it has authority to direct to be done in this by-law, if the person directed to do so is in default, to the tax roll and collect the amount due in the same manner as municipal taxes; and

Whereas Section 69 (1) of the *Planning Act, R.S.O. 1990, c. P 13*, as amended, provides that a municipality may establish a tariff of fees for the processing of applications; and

Whereas by adoption of Committee of the Whole Item No. CCW 2026-054, County Council deems it desirable to adopt a comprehensive by-law to set out the fees and charges which will be imposed directly to the benefiting party for actions taken and expenses incurred by the County.
